SUBJECT: Power Plant Graphics, North Vietnam

The Thac Ba Hydroelectric Power Plant, which was requested, could not be located. There is neither a town of Thac Ba, a Chai River, nor a Lo River in Yen Bay Province listed in the NIS Gazeteer or shown on maps of USATC-Series 200 and AMS-Series L509. A search of Yen Bay Province revealed only one site of possible hydroelectric power plant construction. A photo of this plant is presented in Figure 9.
